RELEVANT EXPERIENCE

Freelancing as a Graphic Designer (Apr - Aug 2021)

- Creating a range of work from logos, business cards, and web design mockups
- Meeting and collaborating with clients to share the creative process with them
- Writing proposals and contracts to have written agreements with my clients

Graphic Designer | UW CS Club (May - Aug 2021)

- Designed social media posts and motion graphics using Adobe Illustrator, Photoshop, After Effects, and Figma
- Helped the Instagram page grow by 100 followers
- Sketch the plushie mockups of club mascot to send to manufacturing factories

Graphic Design Intern | C17media (Apr - Jun 2019)

- Designed vehicle wraps, brochures, and vectorized logos, using Adobe CC programs, for small business clients.
- Filmed and created social media content to show large format printing
- Collaborated with account managers to communicate with the client for clarity

OTHER ACTIVITIES

Kitchen Planner & Sales | IKEA (Jun - Oct 2019)

- Interacted with a variety of customers and finding different ways to communicate to ensure understanding when planning a kitchen space

Sales Playbook | BET 430: Sales Fundamentals (Fall 2021)

- Worked in a team to help the startup CeragenGrow create a company sales playbook for their new sales hire

WE Accelerate Pitch | University of Waterloo (Spring 2021)

- Fertilizer idea came in 2nd place at the Concept by Velocity climate change pitch

The Edition Gallery | Creators Collective (Winters 2019 - 2022)

- Have my artwork displayed in the Creators Collective gallery & publication yearly

Personal Website Portfolio (Jun - Aug 2021)

- Designed and built my personal website using HTML, CSS, JS and Adobe XD

EDUCATION

University of Waterloo

(BA) Global Business and Digital Arts (Sep 2018 - Jun 2022)

- Graduated on the Dean's Honour List. Taken a range of courses for design and business such as marketing, ethics, privacy studies, interaction design, user research, and storytelling, taught through collaborative projects.
